Notes

Field Destroy RMA - Used for overseas customers only. All FD requests must be approved prior to destroying the product. Photos of the item will be required to receive credit.

Warranty RMA - Used for the return of defective items. Holley pays for the return shipping.

Special RMA - Used for items purchased directly from Holley and ordered incorrectly, received the wrong item, customer changed mind, etc. Return shipping determined by the situation.

Annual RMA - Used to return overstock inventory. Requires an offsetting order two times the amount of the return and excludes OBS and LTS items. Accounts responsible for return shipping. All Annual returns require sales approval.
